UNDERWRITING ELIGIBILITY GUIDELINES

California
HO-3
Homeowners

Brought to you by

EFFECTIVE ON OR AFTER: AUGUST 5, 2024

UNDERWRITING ELIGIBILITY GUIDELINES

All applications must be submitted unbound and require prior approval by an underwriter. The following risks require prior approval by an underwriter:

1. Dwellings with Coverage A limit of liability above \$1,000,000.
2. Risks with three or more unrelated individuals on the deed of trust (must submit with details as to the relationship and reason for the multiple names).
3. Risks where the applicant believes that a prior loss bears no relation to the coverage afforded by this program must be submitted unbound with a complete explanation and all supporting documentation for prior underwriter approval.
4. Seasonal or secondary properties or any property where the insured states they maintain two or more primary residences.
5. Any applicant or dwelling that has had a loss within the past 12 months with a payment of \$100,000 or more.
6. Risks where requested Coverage A limit is less than the replacement cost provided at quote. Risks where requested Coverage A limit is greater than 35% above the replacement cost estimate provided at quote.
7. Risks that have been fully remodeled (i.e., all major systems have been remodeled, including plumbing, electrical and roof).
8. Dwellings purchased at, from or through foreclosure, bank or trustee sale.

All risks are subject to review for acceptability under the Company guidelines. One or more of the following criteria may lead to declination, cancellation or non-renewal:

1. Dwellings with Coverage A limit of liability below or above the minimum and maximum allowable limits listed below:

Policy Form	Minimum	Maximum
HO-3	\$150,000	\$2,500,000

2. An insured who has been successfully denied, within the immediately preceding five-year period, payment by an insurer of a claim under a property and casualty insurance policy based on arson, conspiracy to commit arson, misrepresentation, fraud, or conspiracy to commit fraud, committed by or on behalf of the individual.
3. An insured with a loss history that demonstrates a pattern of frequency or severity or carelessness.
4. An insured who insures or seeks to insure a home that is being used for an illegal or demonstrably hazardous purpose.
5. An insured who is seeking to insure a home that is not used exclusively for personal private residential purposes.
6. An insured who has had an insurance policy canceled due to non-payment of premium within the immediately preceding five-year period.
7. An insured with a high public profile that shows evidence of questionable character, instability or immaturity.
8. An insured refusing to allow or complete inspection of the property to be insured.
9. An insured who fails to provide to the company, upon written request, reasonable and necessary underwriting information that would affect insurability.
10. An insured who misrepresents or does not disclose a material fact which, if known to us, would have caused us not to issue the policy.
11. An insured or entity whose actions demonstrate that there is a risk of a moral hazard.
12. A material change in exposure.
13. Properties that represent an unacceptable wildfire risk for any reason including but not limited to insufficient defensible space around the dwelling and other structures, proximity to brush or forest, or deferred maintenance that presents an unacceptable risk.
14. Properties that are isolated or inaccessible to firefighting or other emergency equipment or services.

15. Properties located in landslide or mudslide areas.
16. Properties located in a neighborhood not showing pride of ownership or with condemned dwellings.
17. Any risk with a pool, hot tub, spa or similar structure unless in compliance with municipal ordinances, fenced, filled and maintained.
18. Dwellings built prior to 1940 without upgrades to dwelling systems such as plumbing, electrical and HVAC (except qualifying renewals).
19. Mobile homes, trailers (including recreational and utility), boats, houseboats, automobiles, basement homes, portable buildings or any structure made of cloth or canvas.
20. Dwellings of unusual or irreplaceable construction or cantilevered construction.
21. Dwellings that are not of sound structure, not built to required building codes, or not maintained in an insurable condition showing pride of ownership.
22. Dwellings not on a permanent or solid foundation.
23. Dwellings on posts, stilts or pilings. This does not include dwellings on a solid foundation with post and pier construction that creates a small, enclosed crawl space under the dwelling.
24. Dwellings with roof coverings consisting of non-fire rated wood shake or other flammable materials, flat roofs older than 15 years of age, or roofs with two or more overlays of composition shingles.
25. Dwellings with a roof covering that is older than the expected life of the product or that is otherwise in poor condition or poorly maintained.
26. Dwellings with roofs in poor condition (regardless of age), will be limited to Roof For Fire And Lightning Only Endorsement Coverage (ATTACH: Roof for Fire and Lightning Only Endorsement) which limits coverage for roof and interior damage due to roof condition to perils of fire or lightning. Dwellings with roofs 20 year of age and older and in fair condition, or close to the end of their useful life, will be limited to Actual Cash Value coverage (ATTACH: Actual Cash Value Roof Endorsement). This rule does not apply to tile roofs, including clay and concrete shingle tile roofs, in good condition.
27. Dwellings with trees that overhang the roof of the Residence Premises.
28. Risks with visible debris on the property.
29. Dwellings with wood, coal, pellet, or kerosene stoves, space heaters, and/or wall heaters that are the main source of heat, whether or not permanently installed and whether or not thermostatically controlled.
30. Dwellings undergoing extensive remodeling, renovation or construction affecting habitability.
31. Dwellings with unrepaired damage and/or open or pending claims, and/or known potential (a) defects, (b) claims disputes, (c) property disputes, and/or (d) lawsuits.
32. Dwellings that do not have a fully functional fire extinguisher and functioning smoke detectors located on the premises.
33. Dwellings without 100% copper wiring. Dwellings with knob and tube wiring, a fuse box and/or fuses of any kind are ineligible.
34. Dwellings that do not have deadbolts on all doors that provide access to the dwelling and/or garage.
35. Risks with pressurized polybutylene pipes.
36. Any building not constructed specifically to be a single-family dwelling, or any dwelling sharing common walls with other properties. However, a unit that is part of a Townhouse or Row House and shares common walls with other units where the structural components of the unit are owned by the Named Insured can be written as an HO-3 risk. We will only accept Townhouse or Row House units within a building containing a maximum of 8 individual family units. Only one individual family unit may be insured by any one policy. Townhouse and Row House rating factors will be applied.
37. Risks not occupied within thirty (30) days from the inception date of the policy.
38. Any applicant or dwelling that has had more than 3 chargeable losses in the last 5 years.
39. Risks with any business activity involving foot traffic on the Residence Premises.
40. Risks where the applicant has had foreclosure proceedings initiated against an owned property anytime within the last three (3) years.
41. Risks with unusual liability exposures.

42. Any dwelling or building which is used for dormitory/student housing, military barracks, nursing home, commercial building or short-term rental such as Airbnb or VRBO.
43. Risks where there is a tenant and/or boarder, and the tenant and/or boarder has any past due rent of any dollar amount.
44. Risks where there is a tenant and/or boarder, and there are any open or pending;
 - a. Disputes between the applicant and tenant and/or boarder; or
 - b. Claims between applicant and tenant and/or boarder; or
 - c. Lawsuits between applicant and tenant and/or boarder.

Wildfire Eligibility Requirements

A. Wildfire Risk Score

Each property will be assessed for eligibility based on the wildfire risk score in the area and the vulnerability level at the individual risk location. Risks that fall outside of the eligibility criteria below may not be eligible for coverage. The following requirements are applicable to all homes in all geographic locations.

- Wildfire Risk Score:
 - HazardHub Composite Risk Score of 39 or less and Wildfire Hazard Potential of High, Moderate, Low, or None/Very Low; or
 - Wildfire Hazard Potential of Very High and HazardHub Composite Risk Score of 33 or less
- Vulnerability Rating:
 - The higher the assessed modeled brush fire exposure of a property (“wildfire risk score”), the higher the impact of the individual vulnerability of the property itself. The Company will determine eligibility based on inspection, aerial imagery, & vulnerability scoring of the property
 - Risks in Very High Wildfire Hazard Potential areas will be required to maintain a Moderate or better Vulnerability Rating to be eligible for coverage. If the Vulnerability Rating is High or Very High, the Company may require the insured to clear defensible space to achieve a Moderate or better Vulnerability rating prior to binding coverage.
 - The following are examples of wildfire zone protection requirements in order to achieve the required Vulnerability Rating:
 - ROOF:
 - Gutters and roof must be clear of leaves, pine needles or other combustible debris – Eave soffits and attic vents must be fitted with narrow mesh screens;
 - Openings in tile or metal roofs must be effectively bird stopped (filled); and
 - Chimneys must be fitted with spark arrestors.
 - FIREWOOD & COMBUSTIBLE MATERIALS:
 - Firewood and other combustible materials must be stored at least 30 feet from the home (unless covered by Cal-Fire Approved Fire Blanket);
 - The area under decks should not be used to store combustible materials
 - YARD & GARDEN STRUCTURES;
 - Gazebos, playground equipment, Pergolas and other combustible structures must be located at least 30 feet from the home; and
 - Fuel tanks must be at least 30 feet from the home and have at least 10 feet around clear of combustible materials
 - DEFENSIBLE SPACE – WITHIN 30 FEET OF THE HOME
 - The area must be well managed to prevent wildfire from reaching the home, including:
 - Only non-flammable landscaping materials and/or high moisture-content annuals and perennials must be present within 5 feet of the home;

- No overhanging trees to any structures on the property, unless limbed 8 feet above structure; and
- Plants should be carefully spaced, low growing and free of resins, oils and waxes that burn easily and all dead vegetation must be removed.
- DEFENSIBLE SPACE – WITHIN 100 FEET OF THE HOME
 - Trees and vegetation in this zone should be managed to slow down and reduce the energy of a wildfire, including:
 - Trees must have lower branches removed to create six to ten feet of clearance from the ground;
 - Smaller conifers growing between taller trees should be removed; and
 - Vegetation should be kept to a minimum and dead plant materials should be removed.
- In addition, any property which, in the underwriter's judgement, presents an excessive wildfire risk will be ineligible for coverage

B. Aggregation Management

The following aggregation requirements will be used for eligibility to manage exposure in this program:

- \$50M maximum Total Insured Value (TIV) within a 2.5km radius
- \$5M maximum Total Insured Value (TIV) within a 400m radius
- Each risk is capped at \$2.5M total contribution to the Total Insured Value

C. Community Characteristics

The following community characteristics are applicable to all homes in all geographic locations. Risk that do not meet these requirements may not be eligible for coverage:

- Multiple access points to the community; and
- Road width and slope to the insured location must be adequate to accommodate fire department equipment.

D. Construction Requirements

The following construction requirements are applicable to all homes in all geographic locations.

- Wood Shake/Shingle Roof Coverings (unless post 2010 Class A rated) will not be eligible for coverage within 1 mile of unmitigated wildlands.

1 GENERAL

Eligibility is limited to a single-family dwelling occupied by the titled owner and used principally for private residential purposes. The dwelling must have only one family and cannot have more than two roomers or boarders. Seasonal and secondary homes primarily used by the owner (not income properties primarily held for rent) are acceptable with applicable surcharges.

2 POLICY FORMS AND DWELLING LIMITS

2.1 HOMEOWNERS:

HO-3 Form:

HO-3 HOMEOWNERS POLICY - BSSHO-CAHO3

HO-5 Form:

SUTTON SPECIALTY PREMIUM HO5 HOMEOWNERS
POLICY – CALIFORNIA - BSSHO-CAHO5

DWELLING LIMITS:

Minimum: \$150,000

Maximum: \$1,500,000

Minimum: \$150,000

Maximum: \$2,500,000

3 ELIGIBILITY AND UNDERWRITING STANDARDS

These Eligibility Guidelines are subject to the Underwriting Eligibility Guidelines set forth by the Company. The Company inspects a large percentage of insured properties. The Company reserves the right to inspect any risks, including an in-person interior and exterior inspection, as part of the underwriting process.

4 POLICY TERM

All policies are issued with a twelve-month term.

5 OTHER INSURANCE

Other insurance covering the same property is permitted only when the other insurance is for perils not covered by the policy. (For example, flood insurance.) If a homeowner has duplicate coverage by error, only a pro-rata share of the premium may be returned. To determine the amount, calculate the Bamboo policy limit relative to the total coverage purchased. That percentage is then applied to the total premium for pro-rata refund. The other carrier should do the same. And then the homeowner must choose one policy going forward.

6 RESERVED FOR FUTURE

7 APPLICATION AND BINDING PROCEDURES

- Producers may submit risks, which will be reviewed for compliance with The Company's guidelines and if compliant, will be accepted provided every question on the application is answered (and explained when necessary), the application is properly signed by the applicant and producer, and the SL-2 Diligent Search Report and D-1 Disclosure Statement are fully completed and uploaded to the Bamboo platform.
- Effective date of the application can be no sooner than the date and time the application is completed, signed, down payment collected, and all binding requirements met.
- The signed application, executed by both the insured and the submitting producer, must be received by Bamboo within 10 days after binding coverage.
- Applications where the premium is billed to the Mortgagee may be submitted without payment.

Please contact Customer Service at (833) 922-6266 or customerservice@bambooinsurance.com with any questions.

8 POLICY TRANSITION CREDIT

The Policy Transition Credit is used in connect with writing business from a non-affiliated company. The purpose of this rule is to reduce policyholder disruption that may result from the conversion into this program as part of a qualified book transfer transaction. Applicants may qualify for a credit based on the percentage different between The Company's premium and the prior carrier's premium.

The Policy Transition Credit applies to new and renewal business policies if the following conditions are met:

1. The applicant had coverage with a carrier other than The Company prior to the effective date of The Company's policy;
2. There is a prior agreement with The Company to quote the referral.

9 CATASTROPHE MANAGEMENT

9.1 SUSPENSION OF BINDING AUTHORITY

As part of The Company's Catastrophe Management procedures, we may from time to time establish, at our discretion, restrictions on binding authority. Whenever binding authority is restricted by operation of our Catastrophe Management procedures, no applications for new coverage will be accepted from the locations or risk profiles under restriction. In addition, no endorsements of existing policies which will have the effect of increasing The Company's exposure will be accepted.

Applications with an effective date/postmark combination, which would violate the prohibition(s) listed above, will be rejected and no coverage will exist. Renewals of The Company's expiring policies will be issued provided there is no increase in coverage or exposure, other than that which would normally occur (such as Adjustment of Limit).

This temporary suspension of binding authority will remain in effect until these binding restrictions have been lifted by The Company.

9.2 GENERAL (NON-EARTHQUAKE RELATED) EMERGENCY RESTRICTIONS

The Company may also establish discretionary restrictions on binding authority during emergency periods of potential floods, mudslides, fires, designated* tropical storm, depression or hurricane, or other natural or

manmade disaster emergencies. Producers who are aware of such conditions SHOULD NOT BIND COVERAGE UNTIL THEY HAVE CALLED THE COMPANY TO VERIFY THAT NO BINDING RESTRICTIONS ARE IN EFFECT.

If enacted, these emergency restrictions will be identical to those detailed in the above “Suspension of Binding Authority” section.

This temporary suspension of binding authority will remain in effect until these binding restrictions have been lifted.

*NOTE: A “designated” tropical storm or hurricane is a weather disturbance identified as a tropical storm, depression or hurricane by the United States National Weather Service.

9.3 EARTHQUAKE-RELATED EMERGENCY RESTRICTIONS

When an earthquake registering 5.0 or greater on the Richter scale occurs, the carrier issuing the earthquake policy (or its representative) may impose binding authority restrictions on all agents in the affected area:

- Binding authority will be restricted when an earthquake reading 5.0 or greater on the Richter Scale occurs.
- Binding authority will be restricted for the day of the earthquake and for the 30-day period following the earthquake.
- An aftershock reading 5.0 or greater on the Richter Scale will be considered a new earthquake and will result in a new period of suspended binding authority.
- The restrictions will apply to all counties located within 150 miles of the earthquake’s epicenter.
- The above restrictions also apply to any requests to increase coverage limits.
- Renewals are not affected by these restrictions.

9.4 MISCELLANEOUS RESTRICTIONS

The Company may also establish (at its discretion) temporary and/or permanent restrictions on binding authority for new policies in certain territories to properly manage geographic concentration levels and overall portfolio exposure.

10 PAYMENT PLANS, FEES, AND MINIMUM RATE ON LINE

10.1 MINIMUM PREMIUM

All policies are subject to a minimum premium of \$1,500.

10.2 MINIMUM PREMIUM PER TIV

All policies are subject to a minimum premium per TIV x 100 ratio of 0.20. Total Insured Valued (TIV) is calculated as the sum of coverages A, B, C, and D.

10.3 MINIMUM EARNED PREMIUM

All policies are subject to a minimum earned premium, if during the Policy Period, the policy is cancelled by insured request, or the policy is cancelled because the insured has not complied with inspection or documentation requirements or the policy is cancelled for non-payment of premium the amount of premium that will be treated as fully earned by Sutton Specialty Insurance Company will never be less than the minimum earned premium. The minimum earned premium is calculated as 13% of the premium for property insured, plus any non-refundable fees and pro-rata taxes.

10.4 PAYMENT PLANS

The total premium of any policy is due and payable at the beginning of the policy term, unless the policy is issued on an installment plan. For policies issued on an installment plan, the initial premium installment will be due on the effective date of the policy subject to the down payment requirement. Policyholders may pay their remaining balance in two (“3-Pay”), four (“5-Pay”), or 9 (“10-Pay”) additional installments:

Payment Plan	Down Payment	Installment Payment	Installment Schedule
Full Pay	100%		
3-Pay	40%	2 @ 30% each	1 st @ 60 days 2 nd @ 120 days
5-Pay	25%	4 @ 18.75% each	1 st @ 60 days 2 nd @ 90 days 3 rd @ 120 days 4 th @ 150 days
10-Pay*	25%	9 @ 9% each Final @ 3%	1 st @ 60 days 2 nd @ 90 days 3 rd @ 120 days 4 th @ 150 days 5 th @ 180 days 6 th @ 210 days 7 th @ 240 days 8 th @ 270 days 9 th @ 300 days
Mortgage Billed	Based on Mortgagee		

*The “10-Pay” option requires an automatic payment source such as a credit card, debit card, or ACH account debit.

10.5 FEES

A fully earned policy fee of \$125 for HO-3 and \$250 for HO-5 will apply to both New Business and Renewal Business.

A fully earned broker fee of \$125 will be applied by the Producing Broker on both new and renewal business.

A \$10 service fee is added to all installments, but not the initial down payment.

An insufficient funds fee of \$25 will be assessed whenever a manual check, electronic check/funds transfer or credit card transaction is unable to be processed due to the lack of sufficient funds or credit limit.

If non-payment of premium notice is issued, but a premium payment is received before cancellation, a \$10 late fee will apply. If a policy is cancelled then reinstated, a \$10 reinstatement fee will apply. All policies cancelled at the request of the insured will be charged a \$250 fee.

11 CANCELLATION OR CHANGES IN COVERAGE LIMITS

It shall not be permissible to cancel any of the mandatory coverages in the policy unless the entire policy is cancelled.

If insurance is increased, cancelled or reduced, the additional premium shall be computed on a pro rata basis, subject to the minimum rate on line requirement and fully earned fees.

12 WHOLE DOLLAR PREMIUM RULE

Each premium shown on the policy and endorsement shall be rounded to the nearest whole dollar. A premium of fifty cents (\$.50) or more shall be rounded to the next higher whole dollar.

13 MULTI-VARIATE BY-PERIL PROGRAM

Pricing will be based on a multi-variate program with base rates that vary by Peril Group (PG). Each of the following seven PGs will follow the same Rate Order of Calculation (ROC) while rating factors may vary:

1. Non-Catastrophe Fire
2. Sudden and Accidental Water Damage
3. Theft
4. Weather and Weather-related Water
5. All Other Perils (AOP)
6. Catastrophe Fire
 - a. Wildfire, Brush Fire, Urban Conflagration (Wildfire)
 - b. Fire Following Earthquake (FFEQ)

An individual homeowner submission is first classified by territory. Territory definitions are the same for every peril. However, territory relativities may vary. The Liability coverages do not use territories.

14 PREMIUM COMPUTATION

This section provides an explanation of how premiums are determined and what adjustments are applied to price each risk.

Base Premium Coverages

Base Premium covers all mandatory coverages. Extensions of coverage subject to additional premiums, “Dollar Adjustments”, are discussed separately below. Base coverages include:

- Dwelling Coverage (Coverage A)
- 10% of Dwelling Coverage for Other Structures (Coverage B)
- 50% of Dwelling Coverage for Contents Coverage (Coverage C)
- 20% of Dwelling Coverage for Additional Living Expense (Coverage D)
- Other coverages, as described in the policy

Premiums are determined on a by-peril basis with the following base rates:

Table 1 – Base Rates

Line	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FFEQ)
Homeowners	494.00	638.00	100.00	296.00	194.00	841.00	36.00

Premium Computation

Step 1: Determine the Territory based upon the location of the dwelling. Refer to Appendix A for Territory definitions by Zip Code. Determine the Territory relativity according to Appendix B.

Step2: Reserved for Future Use

Step 3: Determine the Cost per Square Foot factor according to Table 3. This is only applicable for homes larger than 3,000 square feet. Homes equal to 3,000 square feet or less will receive a factor of 1.00. Interpolate for values between the lower and upper bands.

Table 3 – Cost per Square Foot

Cost per Square Foot	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FFEQ)
<= 400	1.100	1.100	1.100	1.100	1.100	1.100	1.100
500	1.050	1.050	1.050	1.050	1.050	1.050	1.050
575	1.000	1.000	1.000	1.000	1.000	1.000	1.000
725	1.000	1.000	1.000	1.000	1.000	1.000	1.000
>= 800	0.950	0.950	0.950	0.950	0.950	0.950	0.950

Step 4: Determine specific Claim Record factors (CRF) for each peril according to Table 4. The Non-Water-Related CRF will apply to Fire, Weather, Theft, and Other Peril Groupings. The Water CRF will apply only to Water. Wildfire and FFEQ will not be subject to CRF.

A qualified claim is any non-catastrophe claim that resulted in a net paid loss during the latest five-year period. Losses less than \$500 are not considered qualified claims. Losses that only have payments under Medical Payments coverage are not considered qualified claims.

Table 4 – Claim Record

Qualified Paid Claims	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FFEQ)
0	1.000	1.000	1.000	1.000	1.000	1.000	1.000
1	1.500	2.200	1.500	1.500	1.500	1.000	1.000
2	2.500	3.100	2.500	2.500	2.500	1.000	1.000
3	3.200	3.700	3.200	3.200	3.200	1.000	1.000
4+	4.000	4.000	4.000	4.000	4.000	1.000	1.000

*Note: Claims surcharge does not apply to wildfire or FFEQ premiums.

Step 5: Determine Base Premium 1 for each Peril by multiplying the Base Premium by the Territory relativity, Cost Per Square Foot factor, and Claim Record factor.

Step 6: Determine the Increased Limit Factor for Coverage A from Table 5 below. See Appendices A for Territory definitions by Zip Code and Appendix C for Increased Limit Factor groupings by Territory.

Table 5 – Increased Limit Factor for Coverage A

Coverage A (000)	ILF Group	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FFEQ)
150000	1	0.407	0.407	0.407	0.407	0.407	0.407	0.407
250000	1	0.582	0.582	0.582	0.582	0.582	0.582	0.582

2000000	2	3.807	3.807	3.807	3.807	3.807	3.807	3.807
2500000	2	5.205	5.205	5.205	5.205	5.205	5.205	5.205

Step 7: Determine the Coverage Adjustment factor for increased or decreased Coverage B, C, and D, if applicable, based on the surcharges/discounts outlined in Appendix C. Sum the surcharges/discounts together and add 1 to determine the total Coverage B-D Adjustment factor.

Step 8: Determine the Fire Protection/Construction factor outlined in Appendix D depending on whether the property has a hydrant or perennial water source, the dwelling construction type, the drive time to nearest fire station, and whether the community has a Full Time, Blended or Volunteer Fire Department. If there is no hydrant within 1500 feet of the property, utilize the factors for Perennial Water Source in the lower section of Table 6.

Construction Definitions:

- A. Frame/Veneer – The house must have exterior walls built of wood or other combustible construction (including wood ironclad, stucco on wood, aluminum or plaster siding over frame or plaster on combustible supports) or combustible construction.
- B. Masonry – The house must have exterior walls built of solid masonry or other fire resistive materials.

Step 9: Premium will be adjusted based on the age of the home and taking into account whether the home has been renovated. The age of home is computed by subtracting the year of construction from the policy expiration year. If the home is 10 years or older and has been renovated then the premium adjustment will be based on the years since the oldest renovation. To qualify for this credit, the house must have had the roof completely replaced, plumbing and heating systems and electrical system including wiring, receptacles, circuit boxes and conduits in exposed areas completely upgraded. The renovation must have been completed by a licensed contractor in compliance with the local building codes.

Table 6 – Age of Home

Age of Home	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FFEQ)
0	0.825	0.825	1.000	0.825	0.825	0.825	0.825

93	1.097	1.097	1.000	1.097	1.097	1.097	1.097
94	1.097	1.097	1.000	1.097	1.097	1.097	1.097
95	1.097	1.097	1.000	1.097	1.097	1.097	1.097
96	1.097	1.097	1.000	1.097	1.097	1.097	1.097
97	1.097	1.097	1.000	1.097	1.097	1.097	1.097
98	1.097	1.097	1.000	1.097	1.097	1.097	1.097
99	1.097	1.097	1.000	1.097	1.097	1.097	1.097
100	1.097	1.097	1.000	1.097	1.097	1.097	1.097
101+	1.150	1.150	1.000	1.150	1.150	1.150	1.150

Step 10: Determine the Year Built factor using the table below. This factor accounts for differences in building codes over time.

Table 8 – Year Built

Year Built	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FFEQ)
<1941	1.100	1.100	1.000	1.100	1.100	1.100	1.100
1941-1991	1.050	1.050	1.000	1.050	1.050	1.050	1.050
1992-1997	1.000	1.000	1.000	1.000	1.000	1.000	1.000
1998-2008	0.970	0.970	1.000	0.970	0.970	0.970	0.970
2009-2011	0.940	0.940	1.000	0.940	0.940	0.940	0.940
2012+	0.920	0.920	1.000	0.920	0.920	0.920	0.920

Step 11: Determine the Roof Type factor using the table below.

Roof Type

Roof Type	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FFEQ)
Composition	1.000	1.000	1.000	1.000	1.000	1.000	1.000
Metal	1.000	1.000	1.000	1.000	1.000	1.000	1.000
Tile	1.050	1.050	1.000	1.050	1.050	1.050	1.050
Built-Up	1.000	1.000	1.000	1.000	1.000	1.000	1.000
Wood	1.000	1.000	1.000	1.000	1.000	1.000	1.000
Other	1.000	1.000	1.000	1.000	1.000	1.000	1.000

Step 12: Determine Base Premium 2 by multiplying Base Premium 1 by the Increased Limit Factor for Coverage A, Coverage Adjustment factor, Fire Protection/Construction factor, Age of Home/Renovation factor, Year Built factor, and Roof Type factor.

Step 13: To determine the Responsible Homeowner Discount factor, determine the total number of points awarded for each qualifying device and then apply the factors that corresponds with the awarded points.

Table 9a – Responsible Homeowner Peril Points

	Description	Peril Points						
		Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FREQ)

46 to 50	0.850	0.400	0.800	1.000	1.000	0.850	0.850
51 and up	0.750	0.200	0.750	1.000	1.000	0.750	0.750

Secure Home – to qualify for this credit, the house must be equipped with an:

- A. Approved and properly maintained installations of qualified connected devices that allow for risk detection or mitigation in the dwelling may be recognized for a reduced premium. The device must be connected by broadband, wireless, cellular, or other technology and alert the insured by email, text message, dedicated application, or other means.
- B. Approved and properly maintained installations of qualified professionally monitored devices that allow for risk detection or mitigation in the dwelling may be recognized for a reduced premium. The device must be monitored 24/7 by a third-party administrator or directly alert emergency response personnel to an event.

Exceptional Risk – to qualify for this credit, the house must be equipped with an:

- A. Approved and properly maintained home hardening features designed to strengthen the homes resistance to wildfire.

Maintained Home – to qualify for this credit, the house must be equipped with an:

- A. Approved home maintenance activities may be recognized for a reduced premium. To qualify for the home maintenance discount, policyholders must submit proof of home maintenance performed by a licensed professional. Qualifying home maintenance activities include, but are not limited to: HVAC servicing, annual roof inspection, cleaning and inspection of fireplace. To qualify for the discount, proof must be submitted and approved by The Company annually.
- B. An approved and active home warranty subscription may be recognized for a reduced premium. To qualify for the home warranty discount, proof must be submitted and approved by The Company annually.
- C. To qualify for the Inspection Report discount, new Business customers must submit at time of purchase an acceptable Home Inspection completed by a Licensed Arizona Home Inspector completed within the 13 months prior to the effective date of the policy on the property location.
- D. Customer may qualify for a maximum of one of the home maintenance discounts listed in the table below. For qualifying home maintenance activity, a customer is awarded points for the indicated perils. Points are totaled by peril and mapped to the discount shown in the Rate Manual.

Step 14: Determine the Deductible factors from Table 10. Percentage deductibles are required for Fire coverage (Non-CAT Fire, CAT Wildfire, and CAT Fire Following Earthquake) and available as an option for All Other Perils (AOP) if the desired dollar deductible is not available. The percent deductible for Fire coverage and its equivalent dollar amount must be equal to or greater than the AOP deductible.

Table 10 – Deductibles

Deductible	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FFEQ)
2500	n/a	1.000	1.000	1.000	1.000	n/a	n/a
5000	n/a	0.891	0.926	0.856	0.783	n/a	n/a
7500	n/a	0.876	0.644	0.810	0.737	n/a	n/a
10000	n/a	0.860	0.362	0.764	0.690	n/a	n/a
25000	n/a	0.654	0.152	0.393	0.343	n/a	n/a
50000	n/a	0.509	0.065	0.198	0.071	n/a	n/a
1.0%	0.885	0.887	0.846	0.843	0.770	0.885	0.885
2.0%	0.854	0.840	0.342	0.729	0.657	0.854	0.854
3.0%	0.835	0.762	0.262	0.588	0.525	0.835	0.835
5.0%	0.801	0.633	0.140	0.365	0.304	0.801	0.801
7.5%	0.772	0.551	0.090	0.254	0.149	0.772	0.772
10.0%	0.707	0.429	0.038	0.128	0.031	0.707	0.707

Step 15: Calculate Base Premium 3 by multiplying Base Premium 2 by the product of Protection System factor and the Deductible factor.

Step 16: A risk located in an area that is susceptible to wildfire may be subject to a surcharge. The applicable discount or surcharge will be derived by the company based upon the Wildfire Threat Curve table found in Appendix F. The Wildfire Hazard Potential score represents the probability of fuels, such as brush and vegetation, to experience torching, crowning, and other forms of extreme fire behavior under conducive weather conditions.

Step 17: Determine the combustible materials surcharge by adding 1 to each of the following surcharges and calculate the product of all applicable surcharges. Note that wood shake or shingle roofs that are unrated for fire are ineligible for rating.

Table 11 – Combustible Material

Combustible Material	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FFEQ)
Combustible Wood siding only	0.0%	0.0%	0.0%	0.0%	0.0%	12.5%	12.5%
Wood Roof only	0.0%	0.0%	0.0%	0.0%	0.0%	12.5%	12.5%
Wood Roof and Wood Siding	0.0%	0.0%	0.0%	0.0%	0.0%	27.5%	27.5%
Combustible Deck	0.0%	0.0%	0.0%	0.0%	0.0%	12.5%	12.5%
Fire Wood or Combustibles Against the Home	0.0%	0.0%	0.0%	0.0%	0.0%	12.5%	12.5%

Step 18: Multiply the factors for each of the following supplemental variables and round to 3 decimals for the Supplemental Wildfire Rating factor: Aggregation Based Factor (AGG), Multi-story/Enclosed Construction (MSC)

If any of the above factors are unknown, default to 1.0.

Aggregation Based

The percentage below is calculated as the TIV within a 2.5 kilometer radius of the property divided by the maximum allowed capacity of \$50 million.

Table 12a – Aggregation Based

Aggregation	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FREQ)
Up to 19% of maximum TIV	1.000	1.000	1.000	1.000	1.000	1.000	1.000
20-24% of maximum TIV	1.100	1.100	1.100	1.100	1.100	1.100	1.100
25-29% of maximum TIV	1.125	1.125	1.125	1.125	1.125	1.125	1.125
30-34% of maximum TIV	1.150	1.150	1.150	1.150	1.150	1.150	1.150
35-39% of maximum TIV	1.175	1.175	1.175	1.175	1.175	1.175	1.175
40-44% of maximum TIV	1.200	1.200	1.200	1.200	1.200	1.200	1.200
45-49% of maximum TIV	1.225	1.225	1.225	1.225	1.225	1.225	1.225
50-54% of maximum TIV	1.250	1.250	1.250	1.250	1.250	1.250	1.250
55-59% of maximum TIV	1.275	1.275	1.275	1.275	1.275	1.275	1.275
60-64% of maximum TIV	1.300	1.300	1.300	1.300	1.300	1.300	1.300
65-69% of maximum TIV	1.325	1.325	1.325	1.325	1.325	1.325	1.325
65-69% of maximum TIV	1.350	1.350	1.350	1.350	1.350	1.350	1.350
70-74% of maximum TIV	1.375	1.375	1.375	1.375	1.375	1.375	1.375
75-79% of maximum TIV	1.400	1.400	1.400	1.400	1.400	1.400	1.400
80-84% of maximum TIV	1.425	1.425	1.425	1.425	1.425	1.425	1.425
85-89% of maximum TIV	1.450	1.450	1.450	1.450	1.450	1.450	1.450
90-94% of maximum TIV	1.475	1.475	1.475	1.475	1.475	1.475	1.475
95-100% of maximum TIV	1.500	1.500	1.500	1.500	1.500	1.500	1.500
100%+	Ineligible	Ineligible	Ineligible	Ineligible	Ineligible	Ineligible	Ineligible

Multi-Story / Enclosed Construction

Definition

- Fully enclosed construction: Closed eaves, enclosed decks, patios, balconies, and stairways
- Exposed construction: Space for vegetative debris to accumulate beneath decks, stairs, patios, etc. The eaves of the roof are exposed or it has balconies that create combustibility issues with blowing embers

Table 12b – Multi-Story/Enclosed Construction

Multi-Story/Enclosed Construction	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FREQ)
Single Story w Simple Roof line - Fully Enclosed Construction	1.000	1.000	1.000	1.000	1.000	0.980	1.000
Single Story w Complex Roof line - Fully Enclosed Construction	1.000	1.000	1.000	1.000	1.000	1.020	1.000
Single Story w Simple Roof line - Exposed Construction	1.000	1.000	1.000	1.000	1.000	1.060	1.000
Single Story w Complex Roof line - Exposed Construction	1.000	1.000	1.000	1.000	1.000	1.100	1.000
Multi Story w Simple Roof line - Fully Enclosed Construction	1.000	1.000	1.000	1.000	1.000	1.000	1.000

Multi Story w Complex Roof line - Fully Enclosed Construction	1.000	1.000	1.000	1.000	1.000	1.040	1.000
Multi Story w Simple Roof line - Exposed Construction	1.000	1.000	1.000	1.000	1.000	1.080	1.000
Multi Story w Complex Roof line - Exposed Construction	1.000	1.000	1.000	1.000	1.000	1.120	1.000
Unknown	1.000	1.000	1.000	1.000	1.000	1.000	1.000

Step 19: Calculate Base Premium 4 by multiplying Base Premium 3 by the Wildfire Threat Curve factor, Combustible Materials surcharge, and Supplemental Wildfire Rating factors for each peril.

Step 20: Dwellings with roofs 20 years of age and older, and in fair condition, will be limited to Actual Cash Value coverage. This endorsement reduces the roof coverage payment calculation from Replacement Cost to Actual Cash Value. This does not apply to tile roofs in good condition.

Attach Endorsement BSSH3-ACVROOF – Actual Cash Value Roof for HO-3

Step 21: A Seasonal/Secondary Home surcharge is applicable if the insured dwelling is a seasonal or secondary home.

Table 14 – Secondary Home

Secondary/Seasonal Home	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FFEQ)
No	1.000	1.000	1.000	1.000	1.000	1.000	1.000
Yes	1.250	1.250	1.250	1.250	1.250	1.250	1.250

Step 22: If the insured has another in-force personal private passenger auto policy (car, truck, or SUV only) with the Company or same producer a premium credit will be allowed. This credit will be discontinued if/when the other policy(ies) lapse.

Table 15 – Multi-Line discount

Discount Level	Other Policy Type	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FFEQ)
Level 0	No Multi-Policy Discount	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%
Level I	Private Passenger Auto with Same Producer	5.0%	5.0%	5.0%	5.0%	5.0%	5.0%	5.0%

Step 23: All policies are subject to a minimum premium. See the table below.

Table 16 – Minimum Premium

Minimum Premium	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FFEQ)
Homeowners	340.00	560.00	80.00	275.00	150.00	75.00	20.00

Step 24: Calculate Base Premium 5 by applying the Seasonal/Secondary Home surcharge, Multi-Line discount factors, and subject to the Minimum Premium.

Step 25: Add charge for Liability and Medical Limit, as applicable

Table 17– Coverage E/F

Liability (Cov E)	Medical (Cov F)	Value
100000	1000	\$ 11.00
200000	1000	\$ 16.00
300000	1000	\$ 26.00
400000	1000	\$ 34.00
500000	1000	\$ 41.00
100000	2000	\$ 13.00
200000	2000	\$ 18.00
300000	2000	\$ 28.00
400000	2000	\$ 36.00
500000	2000	\$ 43.00
100000	3000	\$ 15.00
200000	3000	\$ 20.00
300000	3000	\$ 30.00
400000	3000	\$ 38.00
500000	3000	\$ 45.00
100000	4000	\$ 17.00
200000	4000	\$ 22.00
300000	4000	\$ 32.00
400000	4000	\$ 40.00
500000	4000	\$ 47.00
100000	5000	\$ 19.00
200000	5000	\$ 24.00
300000	5000	\$ 34.00
400000	5000	\$ 42.00
500000	5000	\$ 49.00

Steps 26-38: Determine Dollar Adjustments – (See Dollar Adjustments Appendix G).

Step 39: Calculate the Final Premium by adding the additional amount from the Dollar Adjustment coverages to Base Premium 6.

APPENDIX A – TERRITORY DEFINITIONS

APPENDIX D – COVERAGE ADJUSTMENTS

When adjusting for changes to coverage B, C, or D, the increase or decrease in coverage is expressed as a percentage of Coverage A. For example, if Coverage C default is 50% of Coverage A. If it is increased to 60% of Coverage A, that is a 10% increase, not a 20% increase. Coverage D can only be decreased by 10% or 20%.

The maximum Coverage B limit is 40% of Coverage A. The maximum total Coverage C limit is 80% of Coverage A.

Coverage Adjustments	Default Limit	Increasing Coverage		Decreasing Coverage	
		Coverage %	Adjust Premium	Coverage %	Rating Factor
Coverage B Other Structures	10%	3.0%	2.0%	N/A	N/A
Coverage C Contents	50%	3.0%	2.0%	N/A	N/A
Coverage D Loss of Use	20%	N/A	N/A	-10.0%	-3.0%
		N/A	N/A	-20.0%	-7.5%

APPENDIX E – FIRE PROTECTION/CONSTRUCTION

Water Source	Type of Fire Station	Drive Time to Nearest Station	Distance to Fire Hydrant	Construction Type	Non-CAT Fire	Sudden & Accidental H2O	Theft	Weather Including Water	Other	CAT Wildfire	CAT Fire Following Earthquake (FFEQ)
Hydrants	Blended	Less than 3 min	Within 250 Feet	Frame/Veneer	0.975	1.000	1.000	1.000	1.000	0.975	0.975
Hydrants	Blended	Less than 3 min	Within 250 Feet	Masonry	0.950	1.000	1.000	1.000	1.000	0.950	0.950
Hydrants	Blended	Less than 3 min	Between 250 and 500 Feet	Frame/Veneer	0.975	1.000	1.000	1.000	1.000	0.975	0.975
Hydrants	Blended	Less than 3 min	Between 250 and 500 Feet	Masonry	0.950	1.000	1.000	1.000	1.000	0.950	0.950
Hydrants	Blended	Less than 3 min	Between 500 and 1000 Feet	Frame/Veneer	0.999	1.000	1.000	1.000	1.000	0.999	0.999

APPENDIX G – DOLLAR ADJUSTMENTS

To apply premium adjustments, subtract or add any applicable credits or surcharges to the policy premium.

Extensions, Increases, Decreases and Additions

Additional Insured

Use this endorsement to add a person or organization as an additional insured to a specific location listed on the policy. There is no premium charge for this endorsement.

Attach Endorsement Additional Insured for HO3.

Additional Interests

Use this endorsement to add an additional mortgagee(s) not listed on the Declarations Page that has an interest in the insured dwelling. There is no premium charge for this endorsement.

Attach Endorsement Additional Interest for HO3.

Adjustment of Limit

This is a mandatory endorsement indicating that at each renewal, the Coverage A dwelling limit will automatically increase by 4%, or a greater amount if indicated by the Replacement Cost Estimator tool. There is no premium charge for this endorsement.

Attach Endorsement Adjustment of Limit for HO3.

Water Back UP and Sump Discharge or Overflow

The HO-3 policy does not include any coverage for this peril. This limit can be purchased up to \$50,000 in either program for the additional charges listed below. The coverage amount will be shown on the Declarations Page.

Form	Limit	Value
HO-3	5000	\$ 40.00
HO-3	10000	\$ 60.00
HO-3	20000	\$ 75.00
HO-3	25000	\$ 100.00
HO-3	50000	\$ 150.00

Attach Endorsement Limited Sewer and Drain Backup for HO-3

Designated Additional Person to Receive Notice of Cancellation or Nonrenewal

If the insured designated a person to receive notice of lapse, termination, expiration, nonrenewal, or cancellation of the policy for nonpayment of premium, the company will mail or deliver to the designated person advance written notice at least 10 days before the effective date of such lapse, termination, expiration, nonrenewal or cancellation of the policy for nonpayment of premium.

Attach Endorsement California Notice of Designated Additional Person to Receive Notice of Cancellation or Renewal.

Extended Replacement Cost Coverage

The policy may be endorsed to provide additional insurance for Coverage A when loss, to the dwelling building, exceeds the limit of liability shown on the policy. Additional coverage equal to 125% or 150% of the Coverage A limit will be provided for loss payments above the stated limits for the following charge.

Extended Replacement Cost Limit	Premium Adjustment
125% of Coverage A	5.0%
150% of Coverage A	8.0%

Attach one of the following:

- Endorsement Extended Replacement Cost Coverage – 125%
- Endorsement Extended Replacement Cost Coverage – 150%

Lender's Loss Payable Endorsement

For a premium charge of \$10, the Lender's Loss Payable Endorsement will be added to the HO-3 policy. This endorsement will be added to the HO-3 policy when there is a mortgagee on the policy.

Attach Endorsement Lender's Loss Payable.

Limited Animal Liability Coverage for Acceptable Animals

These policies do not provide coverage for animal liability. However, optional limited animal liability coverage for acceptable animals can be purchased. Some breeds or types of animals remain excluded. The selected limit must match the Personal liability limit. The limit will appear on the declarations page, the premium charge is:

Limit	Value
100000	\$ 13.00
200000	\$ 18.00
300000	\$ 26.00
400000	\$ 32.00
500000	\$ 37.00

Attach Endorsement Limited Animal Liability Coverage for HO-3.

Loss Assessment Increase

The HO-3 policy provides \$1,000 in loss assessment coverage. To increase this coverage up to an additional \$50,000, use this endorsement. The premium charge is \$2 per \$1,000.

Attach Endorsement Loss Assessment Increase for HO3.

Ordinance and Law

Both policy forms will pay up to 10% of the Coverage A limit towards compliance with ordinances or laws applicable to demolition or reconstruction of the dwelling after a loss. Additional percentage limits of 25% or 50% can be purchased for an additional charge. This coverage does not increase the Coverage A limit.

Increase in Amount Up	Total Amount	Value
0%	10%	0.0%
15%	25%	4.0%
40%	50%	6.0%

Attach Endorsement ORDLAW.

Personal Injury Coverage

For an additional premium, policyholders can purchase Personal Injury Coverage. The selected limit must match the Personal liability limit. The limit will appear on the declarations page, the premium charge is:

Limit	Value
100000	\$ 15.00
200000	\$ 20.00
300000	\$ 30.00
400000	\$ 35.00
500000	\$ 40.00

Attach Endorsement Personal Injury Coverage.

Replacement Cost Coverage for Personal Property

The endorsement providing Replacement Cost Coverage for Personal Property will be attached to all HO3 policies.

Attach Endorsement Replacement Cost Coverage for Personal Property.

Roof for Fire and Lightning Only Endorsement

Dwellings with roofs in very poor condition (regardless of age), will be subject to the Roof for Fire and Lightning only Endorsement, which limits coverage for roof and interior damage due to roof condition to the perils of fire or lightning. This rule does not apply to tile roofs in good condition. There is no premium charge for this endorsement.

Attach Endorsement Roof for Fire and Lightning Only.

Scheduled Personal Property

Coverage for Scheduled Personal Property can be provided against all risks of direct physical loss, with certain exceptions or exclusions. Complete descriptions of the property to be covered must be given.

Attach Endorsement Scheduled Personal Property.

GENERAL UNDERWRITING GUIDELINES:

- This coverage can be added mid-term, as long as any appraisal of the property required by the binding requirements below is conducted within 3 years of binding coverage, or a receipt is provided showing the property was acquired within 90 days of binding coverage.
- Evidence of the property being insured without lapse by another admitted insurer (ie: scheduled on a residential property insurance policy or insured on personal property floater) during the last 3-months is sufficient evidence to satisfy appraisal and receipt requirements except as otherwise provided in the following sections.
- Total agency binding limit (per schedule): \$100,000
- Any scheduled item exceeding the reference Limit Per Item must be submitted for underwriter approval.

- Any total schedule exceeding \$100,000 must be submitted for underwriter approval.
- Property which is not eligible for coverage:
 1. Property held by merchants or dealers.
 2. Property held by or on loan to museums, art galleries, or art institutions
 3. Items used in the insured’s business(es) or profession(s).

JEWELRY (LIMIT PER ITEM: \$30,000; TOTAL LIMIT: \$100,000)

Individually owned personal jewelry, defined as articles of personal adornment composed in whole or part of silver, gold, platinum, or other precious metals and alloys, whether or not containing pearls, jewels, precious or semi-precious stones.

Premium per \$100	
Los Angeles County and Palm Springs	\$2.25
Remainder of State	\$1.75

BINDING REQUIREMENTS:

- We do not insure loose stones as they are easily lost or misplaced. We will not write damaged or chipped stones.
- An “adequate description” must contain information typically found on an appraisal (i.e. weight, mounting, distinguishing characteristics, characteristics of the stones, serial numbers, etc.)
- An “adequate appraisal” must be dated and signed by a licensed or certified appraiser and show the “Four C’s” (Carat, Cut, Color, Clarity) by scale. Appraisals are required for all items valued over \$2,500.
- For any single item valued at over \$10,000, we will require a photo (.jpeg or other date stamped format) dated within 10 days of binding
- For any single item valued at over \$20,000, we will require an appraisal within 3 years or an invoice within 90 days of binding. A prior declarations page alone will not be acceptable.
- Verification of where the item is kept when not worn and how often the item is worn is required.
- If jewelry contains “soft stones”, before binding you must determine that they are being properly maintained. Soft stones are defined as gemstones rated on the hardness scale 8 or less; Amethyst, Opal, Turquoise and Pearl.

FURS (LIMIT PER ITEM: \$7,500; TOTAL LIMIT: \$15,000)

Premium per \$100	
Los Angeles County and Palm Springs	\$1.94
Remainder of State	\$0.86

BINDING REQUIREMENTS:

- We will not schedule damaged or deteriorating furs.
- A “descriptive appraisal” which must include the type of fur, length, color, origin and value. Appraisals on furs are often inflated. We require a sales slip noting the purchase price, if the item was purchased within the last three years. If the item was purchased over three years ago, we will accept an appraisal from a qualified appraiser.
- Verification of where the item is stored.

CAMERAS (LIMIT PER ITEM: \$2,500; TOTAL LIMIT: \$15,000)

Cameras, projection machines, , sound equipment, binoculars, telescopes, microscopes, etc., not utilized for professional purposes:

Premium per \$100
\$1.75

BINDING REQUIREMENTS:

- Description of camera items must include make, model numbers and serial numbers.

- Lens descriptions must include make, “F” stop and focal length.

MUSICAL INSTRUMENTS (LIMIT PER ITEM: \$7,500; TOTAL LIMIT: \$15,000)

Musical instruments not utilized for professional purposes:

Premium per \$100
\$0.50

BINDING REQUIREMENTS:

- Description of musical instruments must include make, model numbers and serial numbers, if any.
- We prefer a sales slip noting the purchase price if the item was purchased within last three years.
- If the item was purchased over three years ago, we will accept an appraisal from a qualified appraiser.

SILVERWARE (LIMIT PER ITEM: \$2,500; TOTAL LIMIT: \$15,000)

Silverware, silver-plated ware, goldware, gold-plated ware and pewterware.

Premium per \$100
\$0.50

BINDING REQUIREMENTS: We require sales receipts or documentation of value within the last three years or an itemized manufacturer’s listing showing brand, pattern, price and description.

GOLFER’S EQUIPMENT (LIMIT PER ITEM: \$2,000; TOTAL LIMIT: \$5,000)

Premium per \$100
\$1.40

BINDING REQUIREMENTS:

- Documentation of value within the last three years.
- Description of items must include make, model numbers and serial numbers, if any, as well as distinguishing characteristics.
- We prefer a sales slip noting the purchase prices.

FINE ARTS (LIMIT PER ITEM: \$10,000; TOTAL LIMIT: \$50,000)

Paintings, etchings, pictures, tapestries, art glass windows, fine china and other bonafide works of art (such as valuable rugs and statuary) or rarity, historical value or artistic merit.

Premium per \$100
\$0.30

NOTE: Breakage coverage is not available.

BINDING REQUIREMENTS:

- Documentation of value within last three years.
- We do not provide breakage coverage.
- Appraisals on Oriental rugs and tapestries are often inflated. We prefer a sales slip noting the purchase price if the item was purchased within the last three years.
- If the item was purchased over three years ago, we will accept a current (not more than 30 days old) appraisal from a licensed or certified appraiser.

- For any individual piece of fine art valued at \$20,000 or more, verification is required on where the item is kept and that an alarm is connected to the item or the premises where the item is stored.

POSTAGE STAMPS (LIMIT PER ITEM: \$1,000; TOTAL LIMIT: \$5,000)

Premium per \$100
\$0.50

BINDING REQUIREMENTS:

- Description of items must include year of issue, condition, denomination and place or origin.
- We prefer sales slip noting the purchase price.

RARE AND CURRENT COINS (LIMIT PER ITEM: \$1,000; TOTAL LIMIT: \$5,000)

Rare and current coins, medals, paper money, bank notes, tokens of money and other numismatic property including albums, containers and display cabinets in use with collections.

Premium per \$100
\$2.69

BINDING REQUIREMENTS:

- Description of item must include year of issue, condition, denomination and place of origin.
- We prefer a sales slip noting the purchase price.

FIREARMS (LIMIT PER ITEM: \$2,000; TOTAL LIMIT: \$5,000)

Premium per \$100
\$4.50

BINDING REQUIREMENTS:

- We require complete Underwriting information on the insured, including occupation, place of employment, where item is kept, and who in the household has access and training.
- A description must include year manufactured, make, model, serial number, caliber, barrel length, etc.

PROPERTY WHICH IS NOT ELIGIBLE FOR COVERAGE:

- Property held by merchants or dealers.
- Property on loan.
- Items used in the insured's business(es) or profession(s).

Service Line Coverage

The Service Line component provides payment for loss or damages resulting from a service line failure. A service line constitutes underground piping and wiring that is located at the insured location and produces a service, such as delivering water or power to the building or other structure from a utility or private water supply.

A \$500 Deductible for Service Line coverage will apply to each loss.

Coverage	Value
Service Line	\$ 74.00

Coverage applies to insured-owned exterior and underground:

- Water piping that connects from the building to a public water supply or private well
- Sewer piping that connects from the building to a public sewer system or private septic system
- Power lines that provide electrical service to the building or other structure
- Piping that connects to a heat pump

Attach Endorsement Service Line Coverage.

Equipment Breakdown

The Equipment Breakdown component provides homeowners with Equipment Breakdown coverage in their Homeowners insurance policy, which is otherwise excluded. Examples of the type of equipment that could suffer a breakdown and will be covered by this incorporation include:

1. Back-up power generators
2. Boilers and hot water heaters
3. Central air conditioners
4. Deep well pumps
5. Furnaces, heat pumps and heaters
6. Home security systems & control panels
7. Solar heaters
8. Vacuum systems
9. Desktop and laptop computers
10. Exercise equipment
11. Home medical equipment
12. Televisions and home entertainment equipment

This coverage will include all equipment that is Covered Property under Coverage A, B and C of the Homeowner policy, with exception of riding mowers and tractors.

A \$500 deductible for Equipment Breakdown coverage will apply to each loss.

Coverage	Value
Equipment Breakdown	\$ 63.00

Attach Endorsement Equipment Breakdown Coverage.

Terrorism and War Exclusion –

The endorsement excluding coverage for Terrorism and War will be attached to all policies

Attach Endorsement Terrorism and War Exclusion.

Trusts/LLCs

A policy may be issued in the name of a Limited Liability Corporation (LLC) or a Trust, provided that the Managing Member of the LLC or Trustee/Beneficiary is listed as an Additional Insured. No other type of business or corporation can be listed as a Named Insured.

Other persons or organizations with an insurable interest in the property can be listed as an Additional Insured, however Lenders may not be listed as Additional Insureds.

Please note the following endorsements apply to all policies and limit coverage for legal entities and persons or organization listed as an Additional Insured to the residence premises. There is no charge for either coverage.

- Attach Endorsement –Additional Insured – Residence Premises, and
- Attach Endorsement Property Held By Legal Entity.

Presence of Swimming Pool Surcharge

When a swimming pool, hot tub, spa or similar structure is on the property, apply the applicable premium surcharges

NOTE: Selected limit must match Personal Liability Limit and Medical Liability Limit.
