Cancellations

1. Insured's Request
 - A. When processing an Insured Request Cancellation on ForemostSTAR.com, you must have a signed request from the insured requesting cancellation. The cancellation must be processed within 30 days of the requested effective date. The signed request may be waived if the Policyholder contacts us directly to request the cancellation. Policyholders must call 1-800-527-3905 to request us to process their cancellation and the call will be recorded.
 - B. Flat Cancellations will be allowed when:
 - Another Foremost policy was issued with the same inception date; or
 - The vehicle was sold or declared a total loss prior to the policy inception date; or
 - Coverage was placed elsewhere on or prior to the policy inception date.
 - C. Mid-term cancellations will be prorated.
 - D. We will backdate cancellations more than 30 days only when you provide documentation showing that:
 - Coverage was placed elsewhere on or prior to the cancellation date; or
 - The vehicle was sold (cancellation will be effective the day of the sale); or
 - The vehicle was declared a total loss (cancellation will be effective the day following the loss).
2. Company Request
Cancellations will be **prorated**.

Annual Mileage (Motorcycle Program Only)

Provide the miles the motorcycle or low-speed vehicle is driven annually. Annual mileage is used in rating.

Motorcycle & Off-Road Classifications

Motorcycle Program

Street Motorcycles

Street Motorcycles are motorcycles that do not qualify as Classic or Customs. Physical damage coverage is available for eligible motorcycles less than 20 years old.* Liability only coverage is available for any age bike.

A maximum of \$15,000 Optional Equipment Coverage is available to cover aftermarket equipment (requires purchase of Other Than Collision and/or Collision coverage).

Classic Motorcycles

Classic motorcycles meet all the following criteria:

- 20 or more years old
- Restored to or maintained in original condition
- Minimal amount of optional equipment (not to exceed \$500)
- Not ridden regularly

Collision coverage and Other Than Collision coverage must be purchased for a motorcycle to qualify as Classic.

Collision and Other Than Collision rates are based on the total value of the motorcycle (including all optional equipment).

Covered Losses will be paid based on the actual cash value of the motorcycle (including all optional equipment) at the time of loss, not to exceed the amount stated in the declarations, less the deductible.

Custom Motorcycles

Custom motorcycles are defined as motorcycles that:

- Have more than \$15,000 in optional equipment, or
- Have been modified to the extent they are unique or one-of-a-kind, or
- Require special titling or have a state assigned Vehicle Identification Number (VIN), or
- Are assembled (constructed or "homemade"), or
- Are special production motorcycles manufactured by designated companies, or
- Are Classic motorcycles with more than \$500 in optional equipment, or
- Are motorcycles 20 years or older that do not qualify as Classics and require physical damage coverage.

Collision and Other Than Collision rates are based on the total value of the motorcycle (including all optional equipment).

Covered Losses will be paid based on the actual cash value of the motorcycle (including all optional equipment) at the time of loss, not to exceed the amount stated in the declarations, less the deductible.

*Motorcycles 20 years and older that require physical damage coverage will be written in either the Classic or Custom program.

Low-Speed Vehicles

Licensed golf carts and licensed Neighborhood Electric Vehicles are eligible for the motorcycle program. Low-speed vehicles will be written on a separate policy.

Note: Low-Speed Vehicles are defined as being Neighborhood Electric Vehicles (NEV's), golf carts, golf cars or other vehicles that meet the following criteria:

- Top speed is 25 miles per hour
- Seating capacity is four people or less
- Legally entitled to operate on public roadways
- Three or four wheeled vehicle with a maximum gross vehicle weight of 3,000 lbs. (excludes Mini-Trucks).

Off-Road Vehicle Program

All-Terrain Vehicles (ATV)

Regular All-Terrain Vehicles

Off-road vehicles with 3- or 4-wheels designed primarily for recreational purposes. Does not include Sport All-Terrain Vehicles, Utility All-Terrain Vehicles or Performance Utility All-Terrain Vehicles.

Sport All-Terrain Vehicles

High performance, competition inspired, 4-wheeled off-road vehicles designed primarily for recreational, non-utility purposes.

Utility All-Terrain Vehicles

4 to 8 wheeled off-road vehicles designed and primarily used for miscellaneous utility purposes. Does not include Performance Utility All-Terrain Vehicles.

Performance Utility All-Terrain Vehicles

4 to 8 wheeled off-road vehicles designed or modified for high performance, utility or recreational purposes.

Dune Buggy

Dune buggies, sand cars, or sand rails not used on public roads are eligible.

Golf Carts/Neighborhood Electric Vehicles (NEV)

Unlicensed golf carts and unlicensed Neighborhood Electric Vehicles are eligible for the off-road program.

Licensed golf carts and licensed Neighborhood Electric Vehicles will be placed in the street program.

Off-Road Motorcycles

Motorcycles not used on public roads and designed for off-road use.

Snowmobiles

Snowmobiles will be written on a separate policy.

Standard Snowmobiles - All snowmobiles not included in the High Performance or Mountain Snowmobile categories.

High Performance Snowmobiles - Competition inspired, technologically advanced, or high performance snowmobiles.

Mountain Snowmobiles - Snowmobiles with specialized tracks designed for riding through deep powder snow in mountain terrain.

Dune Buggy, Golf Cart, NEV & Utility ATV Rating

For Dune Buggies, Golf Carts, Neighborhood Electric Vehicles, Performance Utility All-Terrain Vehicles and Utility All-Terrain Vehicles Other Than Collision and Collision rates are based on the total value of the vehicle (including all optional equipment). Covered losses will be paid based on the actual cash value of the vehicle (including all optional equipment) at the time of loss, not to exceed the amount stated in the declarations, less the deductible.

Specialized Motorcycle & Off-Road Coverages

Optional Equipment Coverage

Optional equipment means any trailer, parts, decorations, custom painting, chrome, sidecar or other items on your motorcycle or off-road vehicle that were not originally provided by the manufacturer as standard equipment. Permanently mounted trike conversion kits are *not* considered optional equipment.

Motorcycle Program: \$3,500 included in Street classification at no additional cost (requires purchase of Other Than Collision coverage). Motorcycles with more than \$15,000 in optional equipment must be written as a Custom motorcycle. Up to \$15,000 may be purchased.

Optional Equipment coverage is not available for Custom or Classic motorcycles or Low-Speed Vehicles.

Off-Road Program: \$500 included on Regular and Sport All-Terrain Vehicles, off-road motorcycles and snowmobiles at no additional cost. Up to \$15,000 of Optional Equipment coverage may be purchased (requires purchase of Other Than Collision coverage).

Optional Equipment coverage is not available for Dune Buggies, Golf Carts, unlicensed Neighborhood Electric Vehicles, Performance Utility All-Terrain Vehicles or Utility All-Terrain Vehicles.

Helmet and Safety Apparel

Motorcycle Program: **\$1,500** Off-Road Vehicle Program: **\$1,500**

The policy includes coverage for a covered collision loss to helmet or safety apparel when Collision coverage for the vehicle has been purchased.

Transport Trailer

Collision coverage and Other Than Collision coverage for trailers used to transport a covered vehicle are available. Transport trailers ranging in value from \$500 to \$7,500 may be insured. Coverage is subject to a \$250 deductible. Losses are paid based on the actual cash value of the transport trailer at the time of loss not to exceed the amount stated in the Declarations. Only one transport trailer may be written per policy.

First Dollar Medical Payments Coverage

Foremost Medical Payments coverage is primary coverage.

Specialized Motorcycle Program Coverages and Benefits

Stolen Vehicle Recovery System

Foremost will waive up to \$500 of the Other Than Collision deductible when a motorcycle is equipped with an approved stolen vehicle recovery system at the time of a covered theft loss.

The deductible waiver applies if the motorcycle is not recovered or if the motorcycle was damaged by the theft. See endorsement for full details.

The deductible waiver is not available for low-speed vehicles.

Additional \$500 of Med Pay for Helmet Wearers

If Medical Payments is purchased, Foremost will include an additional \$500 of coverage at no additional cost for riders wearing DOT approved motorcycle helmets at the time of a collision loss.

Replacement Cost Total Loss Settlement

This coverage applies when the insured purchases a new motorcycle from a dealer and insures it with Foremost within 30 days of purchase. If the motorcycle is a total loss in the first 24 months, we will replace the motorcycle with a new, comparably equipped motorcycle. Refer to the endorsement for details.

This coverage is included for no additional premium with Other Than Collision coverage. This coverage does not apply to Custom or Classic motorcycles or low-speed vehicles.

Towing, Roadside Assistance and Trip Interruption Coverage

Towing and Roadside Assistance is available for an additional premium per vehicle. We cover reasonable and necessary expenses for towing and roadside assistance. Refer to the endorsement for details. Service is provided through Cross Country Motor Club.

Trip Interruption coverage is included at no additional charge when Towing and Roadside Assistance is purchased. When more than 100 miles away from home, we will pay up to \$500 for lodging, meals and transportation costs incurred as the result of a covered loss caused by theft, collision, or contact with a bird or animal. Refer to the endorsement for details.

Towing, Roadside Assistance and Trip Interruption coverage is not available for low-speed vehicles.

Motorcycle & Off-Road Underwriting

Locked Storage

Locked storage is not required to qualify for Other Than Collision coverage or Collision coverage. We will continue to compile garaging and storage information for statistical purposes.

Definition: Vehicles kept (overnight garaging or long term storage) in a fully enclosed, locked garage or other fully enclosed, locked structure when they are not being used. *Vehicles kept in a locked utility trailer or porch or kept chained in a carport or fenced yard do not meet this definition.*

Document Retention

You must obtain a completed and signed Foremost application within seven (7) days of policy issuance.

You are required to maintain the *original* application and appropriate selection/rejection forms in your agency files for the **current year plus 7 years** following the date the policy terminates or expires.

Copies of completion certificates, membership cards or other documents that support granting discounts, and copies of appraisals, bills of sale, or receipts that establish the value of any vehicle that is written on a stated amount basis must also be kept in your files **for the same length of time** as applications.

Audits

Audits will be conducted on randomly-selected files. If conducted on-site, you must provide needed documents to our representative. If the audit is conducted via fax, you will receive a policy list. Documents needed to audit those policies must be faxed to us within a stipulated time period. ***Inability to meet the deadline will constitute a failed audit.***

eSignature

If the customer elects to sign documents using the eSignature process at new business, the applicable e-signed forms will be maintained by the company and accessible to the customer and your agency. If the customer does not complete the eSignature process by the deadline set out in the eSignature email, coverage and/or rate changes may occur. The eSignature process only applies for new business documents. Any subsequent documents that require a signature, after the new business transaction, will need the customer's physical (wet) signature and must be maintained in your files.

Late Processing

New business and endorsements must be processed within five days of the requested effective date. Requests more than five days will require approval by the company.

Any change in information of which the insured failed to promptly inform the company will be given retroactive effective, for purposes of any resulting premium refund, only back to the beginning of the policy term immediately preceding the term in which it is reported to the company.

Binding Authority Restrictions

Foremost may impose temporary restrictions on your binding authority. We reserve the right to use judgment in evaluating your binding authority and can restrict or limit binding authority at our sole discretion for valid underwriting and business reasons. These restrictions will apply to new Physical Damage coverage and to any increase in coverage already in force. Possible restrictions include:

- Hurricane and Tropical Storm Restrictions are implemented in areas where:
 - The National Weather Service issues a Tropical Storm or Hurricane Watch or Warning; or
 - Government authorities have issued emergency and/or evacuating orders; or
 - The area falls within a National Weather Service 3 or 5 day Watch or Warning Cone.
- Emergency Restrictions - Discretionary restrictions may be imposed for flood, forest fires or other natural disasters.

If you are aware that such conditions exist, do not bind coverage until you have verified that no binding restrictions are in effect.

New business or endorsements with an effective date PRIOR TO, ON or AFTER THE DATE OF THE DECLARED EMERGENCY will be accepted only if you bound coverage prior to the declared event.

Canada Non-Resident Interprovince Motor Vehicle Insurance Card

This card is available upon request without cost to any insured entering Canada with their vehicle. This card serves as proof of insurance and guarantees liability limits at least equal to the statutory minimum requirements of every Canadian province.

Certificate of Insurance

Complete a Certificate of Insurance form (733421) and maintain one copy in your agency file. Do not send a copy to the Company. No declarations page, nor any other document, will be sent to any organization or individual requesting the proof of insurance.

MOTORCYCLE

Motorcycle Discounts, Surcharges & Fees*

Motorcycle Safety Course Discount: 5%

This discount is applied if the operator has taken an approved course within the last 3 years.

This discount does not apply to low-speed vehicles.

Motorcycle Safety Course Instructor Discount: 5%

This discount is applied if the operator has instructed an approved Motorcycle Safety Course within the last 3 years.

This discount does not apply to low-speed vehicles.

If a policy qualifies for both the Safety Course and Safety Course Instructor Discounts, only one discount will apply.

Multi-Vehicle Discount: 10% - 30%

- 10% for two vehicles
- 20% for three vehicles
- 30% for four or more vehicles

This discount does not apply to low-speed vehicles.

California Special Assessment:

A state mandated fee applies to each vehicle and trailer used on the road. See notice 741336 for further details.

Mature Driver Improvement Course Discount: 5%

This discount is applied if the operator has taken an approved course within the last three years and is at least 55 years of age. This discount applies to Bodily Injury (including Passenger Liability) and Property Damage coverages.

Good Driver Discount: 20%

Motorcycles: Operators must be licensed to drive a motorcycle.

Low-Speed Vehicle: Operators must be licensed to drive an automobile.

Years of Experience: Operators must have 3 or more years of experience.

For motorcycles years of motorcycle driving experience is used. For Low-Speed Vehicle years of driving experience is used.

Operators of the three-wheeled motorcycles are not required to have a motorcycle endorsement on their driver's license under CA law. Therefore, only a valid driver's license is required for the Good Driver Discount on three-wheeled motorcycles.

In addition to qualify for this discount, the operator must:

- Have no more than one (1) California Department of Motor Vehicle (DMV) point during the past 3 years, and
- Have no chargeable at-fault accidents in the past 3 years involving bodily injury or death.
- Have no more than one (1) chargeable at-fault accident involving property damage exceeding \$1,000.
- Have no convictions for certain DUI or manslaughter violations within the last 10 years.

Contact Underwriting for complete requirements.

Persistency Discount: 10%

This discount does not apply to Classic motorcycles.

Other Than Collision Only Surcharge: 15%

A surcharge is applied to Other Than Collision Coverage when Other Than Collision is purchased without Collision Coverage.

Multi-Policy Discount: 10%

Available when the named insured maintains one or more personal lines or life policy with Foremost, Farmers[®], Bristol West or 21st Century. A life policy must be a term, whole, universal or variable universal policy, have a face amount of \$50,000 or greater, be issued to an adult and be in force.

Vehicle Performance Surcharge: 50%

Applies to motorcycles that are turbocharged or supercharged.

This surcharge does not apply to low-speed vehicles.

Driving Record Level Surcharge: 24% - 608%†

An operator's record of minor violations, major violations and at-fault accidents for the prior 3 years are considered in rating.

The overall surcharge is based on the combination and number of majors, minors and at-fault accidents.

A driver is not principally at-fault for an accident under any of the following circumstances:

1. The vehicle was lawfully parked at the time of the accident. A vehicle rolling from a parked position shall not be considered to be lawfully parked, but shall be considered as in the operation of the last operator;
2. The vehicle was struck in the rear by another vehicle and the driver has not been convicted of a moving traffic violation in connection with the accident;
3. The driver was not convicted of a moving traffic violation and the operator of another vehicle involved in the accident was convicted of a moving traffic violation;
4. The driver's vehicle was damaged as a result of contact with a vehicle operated by a "hit and run" operator of another vehicle and the accident was reported to legal authorities within a reasonable time after the accident;
5. The accident resulted from contact with animals, birds, or falling objects;
6. The accident was a solo vehicle accident that was principally caused by a hazardous condition of which a driver, in the exercise of reasonable care, would not have noticed (for example, "black ice") or in the exercise of reasonable care could not have avoided (for example, avoiding a child running into the street).
